**3 YEARS INTEGRATED PROGRAM
AFTER INTERMEDIATE (12th CLASS)**

Approach is to build fundamental concepts and analytical ability in students to enable them to answer questions for Preliminary as well as Mains Exam

There has been an increasing trend of preparing for UPSC - CSE for year after year by graduates before they find themselves in the final merit list. However, in recent years, many toppers of this examination happened to be fresh graduates. This has proven that preparation for this exam can be started during the years of graduation. Backed by years of experience and ongoing research & analysis of the civil services exam, we have developed our classroom programs completely in tune with the dynamic nature of examination and expectations of UPSC.
